## About the author and the translator

Pierre Guiraldenq is professor emeritus at the École Centrale de Lyon, France. In addition to his scientific career as a metallurgist, his interest in the history of science has resulted in the publication of several biographical articles and books.

Arturo Sangalli is the author of numerous scientific articles, books, and translations. He has a PhD in mathematics from the Université de Montréal.

This book is a translated and adapted version of Pierre Guiraldenq, *Émile Borel, 1871–1956 : l'espace et le temps d'une vie sur deux siècles*. Librairie Albert Blanchard, Paris, 1999.

The translated quotes by Camille Marbo are taken from the book Camille Marbo, *À travers deux siècles : souvenirs et rencontres (1883–1967)* © 1968 Éditions Grasset & Fasquelle and are used with permission.

The cover drawing by André Aaron Bilis (1893–1971) comes from the Bibliothèque nationale de France, Réf. N2 – D 094 300.
