## Renewal of the ICMI Executive Committee

Despite the fact that ICME14 has been postponed (see below), the General Assembly of ICMI, which was supposed to take place just before the opening of ICME14 in Shanghai, was organised electronically over a 24h period of time between the 13th and 14th of July. One of the main issues was the election of the new ICMI Executive Committee by the 84 ICMI country representatives.

This new committee will be in service from the 1st of January 2021 for 4 years. It is composed of:

President: Fredrick K.S. LEUNG (Hong Kong, SAR, China)  
 Secretary general: Jean-Luc DORIER (Switzerland)  
 Vice-presidents: Merrylyn GOOS (Australia/Ireland)  
 Anjum HALAI (Pakistan)  
 Members at large: Marta CIVIL (USA)  
 Patricio FELMER (Chile)  
 Mercy KAZIMA (Malawi)  
 Nùria PLANAS (Spain)  
 Susanne PREDIGER (Germany)

Moreover, the ex-president of ICMI, Jill ADLER (South Africa), as well as the president and the secretary general of IMU, Carlos E. KENIG (USA) and Helge HOLDEN (Norway), are members ex-officio. Paolo PICCIONE (Brazil) is the liaison person for IMU.

## ICME-14 postponed to July 2021

Due to the global pandemic caused by COVID-19, the ICMI and the ICME14 organising committee have decided, after careful discussion and consultation, to postpone the original session and hold ICME14 from the 11th to the 18th of July 2021 at the East China Normal University (Putuo campus).

Relevant arrangements are summarised as follows:

- All standard practices continue to be valid (including registration, contributions, payment, TSG paper and posters review and acceptance, etc.)
- The registration system will remain open throughout this state of emergency.  
The address for registration is <https://reg.icme14.org/login>.
- The payment channel will reopen on the 1st of September 2020.  
Fully paid before (inclusive) the 31st of March 2021, RMB 3500;  
Fully paid between the 1st of April and the 31st of May 2021, RMB 3800;

Paid on and after the 1st of June 2021, RMB 4000;  
Accompanying person's registration at any time, RMB 1000.

- The submission channel for TSG papers and posters will reopen on the 1st of August 2020. We consider that in one year's time, researchers are likely to refine or come up with new research advances and results, or want to fine-tune their paper to a higher quality. Therefore, a participant whose poster has been accepted is allowed to withdraw it and re-submit a paper. For detailed operation instructions, please see updates on our website.
- New proposals for organising Discussion Groups and Workshops are also welcome. Please send emails to [DG@icme14.org](mailto:DG@icme14.org) and [WS@icme14.org](mailto:WS@icme14.org) respectively to submit a proposal.
- Application for the Solidarity Fund will reopen on the 1st of November 2020. The new round of applications is only open to attendees who have never submitted an application before. For an application form, please see <https://www.icme14.org/static/en/news/60.html?v=1590631349483>.

Applicants who submitted application forms last year are requested not to submit them again.

However, if:

- (1) the grade of your contribution has changed, e.g. from poster to paper; or
- (2) your status has changed, e.g. from normal attendees to invited participants, including Invited Lecturers, team members of Plenary Panels, Survey Teams and Topic Study Groups, or you have become contributors or proponents of TSG, National Presentations, Discussion Groups, Work-

shops or Thematic Afternoons, please inform us by emailing to [grant@icme14.org](mailto:grant@icme14.org) with your name and ID number included.

7. Registered participants are requested to send a confirmation letter of your attendance to ICME-14 in 2021 to [reg@icme14.org](mailto:reg@icme14.org) before the 31st of October (instead of the 30th of June as in our earlier announcement).

For more details and latest news please stay tuned to the updates on [www.icme14.org](http://www.icme14.org).
