

**Editors' note on the paper to “Closed ideals
of A^∞ and a famous problem of Grothendieck”
by S. R. Patel**

The paper “Closed ideals of A^∞ and a famous problem of Grothendieck”, by S. R. Patel, published in *Rev. Mat. Iberoam.* **27** (2011), no. 3, 977–995, contains serious errors, and should be considered withdrawn. See the paper [2] by Dietmar Vogt, appearing in this issue.
