## Editorial Note

The Zentralblatt Math. communicated to the Editor-in-Chief of Rendiconti Lincei, Matematica e Applicazioni that the survey "Variational methods for singular Liouville equations" by Andrea Malchiodi, published in Atti Accad. Naz. Lincei, Cl. Sci. Fis. Mat. Nat., IX. Ser., Rend. Lincei, Mat. Appl. 21, No. 4, 349–358 (2010), was also published by the same author in Rend. Ist. Mat. Univ. Trieste 41, 85–95 (2009), and that the two texts are almost identical. We apologize for this occurrence.
