

# Corrigendum to “Existence of solutions for a class of fractional Kirchhoff variational inequality”

Shengbing Deng, Wenshan Luo, César E. Torres Ledesma, and George W. Alama Quiroz

**Abstract.** This corrigendum draws attention to a misprint in the name of the first author in [Z. Anal. Anwend. 43, 149–168 (2024)].

## 1. Introduction

We acknowledge and rectify a misprint in the name of the first author in [1]. In the cited paper, the name was displayed as *Shenbing Deng* (with a character “g” missing in the given name), while the name is written correctly as *Shengbing Deng*.
