

# Toy model for a career in academia

Constanza (Coni) Rojas-Molina

Toy model for a career in academia, originally published at [ragebb.wordpress.com](https://ragebb.wordpress.com).

Coni is a mathematician at CY Cergy Paris University, France. She is a science communicator and illustrator. Her preferred formats are sketchnotes and comics. She created the blog *The rage of the blackboard* at [ragebb.wordpress.com](https://ragebb.wordpress.com) where she interviewed female mathematicians and wrote articles about life in academia, from a mathematician's

perspective. She is a member of the EMS Outreach and Engagement Committee, and the recipient of the 2024 Prize for Science Communication at CY Cergy Paris University. You can see her work at [crojasmolina.com](https://crojasmolina.com).
